CHAPTER TO HOST THIS LUNCH

We have had a nice Spring with just enough rain to keep us out of another drought and with several days in between to produce our beautiful green hills. As pleasant as it is to be mindful of our surroundings, RPEA has not been idle. Office staff and GA planning committee have been working hard in preparation for our September General Assembly to be held in San Diego this year as we alternate north and south every two years. At our May meeting we will be voting on the delegate and alternate to GA 2024. After GA they will report back to the membership on what they found new and of importance.

Our September meeting has been postponed to the 25th as GA fell during our regular meeting week. GA is where the work of RPEA is conducted, such as By-law changes and training workshops for officers and attendees. At our September meeting, we will hold **nominations for our chapter officers**. Our current officers have been holding down the fort for twelve or more years. Why not consider running for office? Or at least being on a committee? Come join the fun! Elections will be held in December and Installation February, 2025.

Our meeting speaker: Terry Ann Black has been a registered nurse for 47 years, during which time she worked with many people in times of crisis. She found that most families were unable to access the vital information needed when their loved one was ill or dying. These experiences led her to write her book Caring is Not Enough. Terry now, consults with people who need help getting their affairs in order, and about end-of-life issues. Her book will be available to purchase.

The Black Bear Diner seems to be the restaurant that best serves the needs of our group. We will again, have a special menu with five choices for ease of ordering.

Blessings! *Nancy*
