Help Keep our Chapter Alive!

Many of you who live in or near Pasadena and have attended our lunch meetings have said you enjoyed the speakers and programs we've presented and would like them to continue. The free lunch and conversation are a bonus.

However, these meetings don't occur by magic. It takes a little volunteer work to keep the wheels turning.

Our chapter president has been handling most of these functions by himself in the past, but he is currently out of the picture.

So, we hope you come to this February meeting so we can discuss options and possibilities on how to move forward this coming year.

Did you know that RPEA was founded in 1955, and Pasadena joined in 1958? We are #007 (no relation to James Bond).

Past President's Report

By Walter White

Our president, Larry Harsha, is still in care facilities resulting from his September injuries. While he is recovering, please address any suggestions or concerns to your newsletter editor (that's me).

The attendance at the January 11th emergency member meeting was disappointing. Our membership chairman agreed to make some phone calls to

encourage attendance at our Pasadena meetings, and Barbara Barrett has agreed to return as secretary for this coming year.
