MESSAGE FROM YOUR CHAPTER PRESIDENT

HERE COMES SUMMER!

After the picnic style lunch, our April meeting speaker, Georgia Harrell, gave us some very good information on how to keep our brain healthy. For those of you that missed the meeting, the steps are very simple. Drink tap water, eat fish, exercise, learn something difficult, get deep sleep, learn deep breathing, and think positive. I believe any of us can do these things, start slow, and add one thing a day. I look forward to hearing how you are doing. Can't believe we are half way through the year! Time just keeps going faster and faster. Now, we look forward to our June meeting. We are going to meet J.J. Jelinik, who is running for the CALPERS Board and you will be asked questions of the prospective candidate. We will also be entertained by the ukulele class that meets at the Joslyn Center. I have heard them and they are quite good while having a good time. Most of the members take the class with no prior ukulele skills. We are planning on having some different lunches in the future! So, be sure and read the newsletter for any special instructions. Please let us know how you feel about the lunches, and if there is something else you would like. I thank the Board and you, the members, for your continuing support and don't forget to read the newsletter.

Remember to let us know if you are coming to the meeting by RSVPing. For members needing a ride to the meeting, please contact Barbara Harmon at (818)843-5472 or Ellie Knapp (661)607-2072. Looking forward to seeing each of you on 6/24/2019!
