~PRESIDENTS MESSAGE~ PAUL TAMBOURY

HAPPY HALLOWEEN

Paul Tamboury
President & AD I

Greetings to all-

Well, here we are, at the end of summer. Fall is on it's way. I am ready for the cooler weather. Hope everyone enjoyed their summer Holidays are coming up starting with Halloween. We are also coming up on the 2nd year anniversary of the fires in Sonoma County.

For those who were unable to join us on August 8, at Korbel Winery, it was a great outing. Board Member Donna Fujino who did all of the planning, coordinated all of activity did an outstanding job. It was a fun event. I know that there were a couple of members who would like to go back and see the gardens.

Don't forget to ask a friend to join, now more than ever, we need to be vigilant, as Benefits and Pensions are being attacked from many different directions for currently working in public service positions, but our own Benefits are also at risk. Be sure to read the RPEA Mission Statement at the top of the newsletter.

Our Guest Speakers for the October meeting will be from AMBIA (RPEA Benefits supplier for members). They will speak about a very important RPEA Member Benefit, MASA Air Service, god anywhere in the world incase of a Medical Emergency! The service has been used by other RPEA Members and they were thankful that they had it. See you at the meeting.

Retired Public Employees' Association

RPEA is a non-profit association of retirees and active employees who are members of the California Public Retirement System (CalPERS). Our mission is important:

- RPEA represents all public employees - classified schools, public agencies, and state.
- RPEA is liaison between retirees and CalPERS.
- RPEA is a mutual protective association for all beneficiaries of CalPERS.
- RPEA fights to maintain our current pension and health care benefits and improve these benefits every year.
- RPEA has local chapters in your area - attend meetings to stay informed and hear interesting speakers.

While we encourage participation in one of our 87 chapters, most of our members participate by reading our bi-monthly newsletter, giving us feedback on their needs, and enrolling in one or more of our "members only" insurance programs.

Chapter 032 Happenings

Sep/Oct

Fall is coming and I am so excited. It got so hot in August for so many days. The stores tell us that winter is coming by having sweaters, coats and winter gear. I will miss the house not being open and fresh air coming in, but it's all a trade off.

In August, the Chapter had it's fun outing this year to Korbel Winery. A tremendous thank you to Donna Fujino for organizing this activity. Lunch was served, then on to a tour of the facility and a couple of tastings. Everyone seemed to enjoy themselves. Grapes were starting to come in to get crushed. There was a new member, we hope to see her again.

We are holding meetings at IHOP currently. I think the membership might enjoy this option as there are more selections. Come see for yourself.

Please remember to bring a canned food item for the Food Bank.

Stay Happy,
Susan
