**PRESIDENT'S MESSAGE**

A couple of years ago, after I had attended a funeral, I wrote an article in this newsletter about the pastor's remarks. He recommended that we should not wait before we told our family what we wanted at our funeral, so there was time to discuss the service with them and prevent any disagreement or confusion.

Since we are in Santa Cruz for the summer, we have stayed for the Jewish High Holidays. At the Yom Kippur service, the Rabbi mentioned that it was a good time to sit down and write what each person felt were important events in their life. This would give your loved ones a future record to share with family, and make sure your life was remembered as part of the family history. I heartily recommend that each of us consider taking on this task.

I will certainly put down some of my experiences being associated with the Retired Public Employees' Association. I was encouraged to join by Ruth Wilson, a long-time friend. She wanted me to take on the Chapter's Legislative Chair, which was the hook that got me involved. When a position opened up on the State Legislative Committee, I applied and was appointed by the chair, Bill Duclus. From there it was "off to the races."

I have had some wonderful experiences during my time with RPEA. I have met many friends who I will never forget. Over these years, I have worked with extraordinary people in the Riverside Chapter. I have had the opportunity to speak to many chapters around California and Nevada about the actions of CalPERS and the state legislature. Working with RPEA management and staff of CalPERS, RPEA has made a difference for retired public employees.

I will still be around as the "Immediate Past President" of the Riverside Chapter. I wish the officers and volunteers continued great success for the future.

Jim Anderson, Chapter 15 President

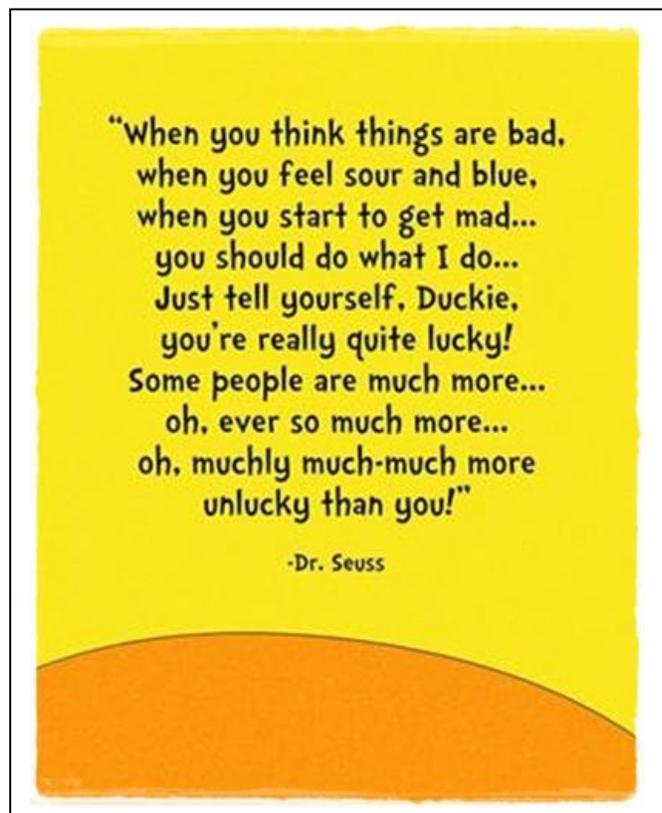

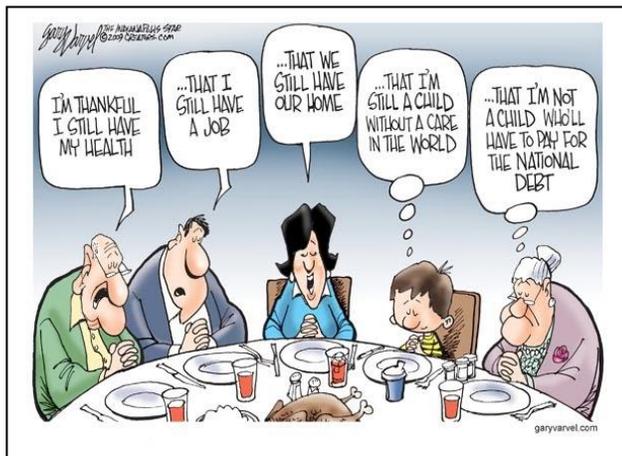

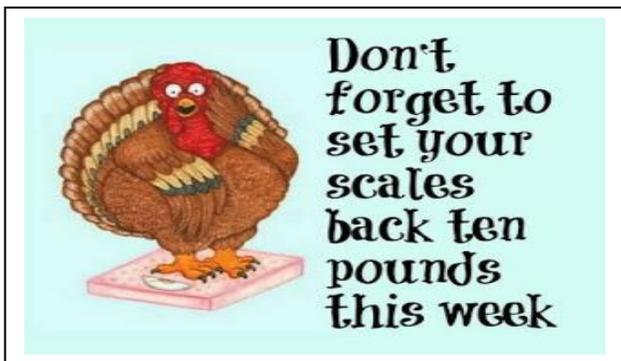

P.S. In case you are not tuned into the news from CalPERS, Henry Jones, incumbent and current CalPERS Board President, was re-elected as the member of the Board representing retired members of CalPERS. He will serve a four-year term. Unofficial results indicate he received 76,570 votes (65.82%). Election results become official after formal certification by the California Secretary of State.
