

# Happy Holidays!

Sadly, we are not able to gather for our annual Holiday luncheon again due to pesky Covid.

Do keep in touch with family and friends by telephone, online, or in person this holiday season.

Make special new memories.

**We send our best wishes!**

**Hope to see you in February of the New Year 2022!**

It has been two long years since we have been able to get together for a meeting - just to get together as Friends. I am hoping that with the New Year we will be able to do this again - soon! And I hope that all is well with everyone. Wishing one and all a Very Merry Christmas and all that is Good in the New Year!

It has been a challenging 20 months for all of us due to COVID. But, nonetheless, we have learned to readjust our lives to deal with the many challenges. Hopefully in the 2022 life will return to the "new normal" and we will be able to meet again in person. I wish all our members a happy Thanksgiving, a merry Christmas and happy new year with family and friends! Hope to see you soon in 2022!

Happy Holidays Everyone!

While the pandemic isn't over yet, many restrictions have been lifted. It may still take some time before we're back to anywhere near normal, but things are looking up

The state RPEA Board has used Zoom to continue to conduct normal business activities on our behalf.

I was able to attend my youngest daughter's wedding this summer. It had been postponed three times due to COVID-19. It was the first time I had been together with all of my children at the same time in over a year.

I've recently attended a few musical events where I had to show proof of vaccination and a valid ID to enter. It's been a pleasure to be able to attend concerts again – that was something that I had really missed. Perhaps our members would feel more comfortable attending RPEA meetings again if masks were worn and proof of vaccination was shown when they checked in.

Here's to a healthy new year for us all! Hopefully we can...**start anew in '22!!!**

Another Christmas rolls around this December, it's a good time for all of us to be thankful. We have many blessings, wherever and whatever they might be. I am most thankful for my good health and the ability to be vaccinated against the Covid virus, and to know that my friends and family are also protected. It has been a joy to at last see old and new friends again. My wish for this Christmas is that all PREA members have a safe, happy, and healthy holiday and a very Happy New Year4! I hope to see everyone in 2022!

Dear RPEA Chapter 35 Members and Friends,

We had hoped to be together to celebrate the 2021 Holiday Season. We hope to be able to gather for lunch again next year. If you have any ideas on where or when that might be, you can call one of our officers. I have inserted their telephone numbers after their names.

Wishing you a Happy  
Holiday Season and a  
Happy and healthy New  
Year!
