A doctor held a stethoscope up to a man's chest.

The man asks, "Doc, how do I stand? "

The doctor says, "That's what puzzles me!"

A boy comes home from school and tells his mother he has a part in the play.

She asks, "What part is it?"

The boy says, "I play the part of the husband."

The mother scowls and says, "Go back and tell the teacher you want a speaking part."
