High Desert Chapter #070

September, 2016

Caryl's Ramblings

Our next meeting will be on **Wednesday, 15th, 2016, September at 11:30 a.m.**, at the Wood Grille Buffet in Hesperia. The address is **14135 Main Street, Hesperia**. We will have Eric Calderon, District Manager from AMBIA, the Member Benefits Insurance Agency provided for members of RPEA. This might be very interesting for those members who are not eligible for PERS Insurance plans as well as those who do have PERS Insurances.

Come have lunch with us and bring a friend who retired on a PERS Pension. You could offer to pick them up and bring them along with you to the meeting.

The more members we have, the stronger our influence in Sacramento! We really need to increase our membership!

The democratic process requires citizens (that's us) to stay informed and to be represented (that's RPEA)

If you have an email address, please call or email me or one of our chapter officers (be sure to include your name). Then we can send these newsletters to you by email and save the postage as well as keep you up to date on any other important developments that should come up. This might become very important after the general election, if there are initiatives in the next election process.

A BIG THANK YOU to all who have already provided their email addresses.
