CHAPTER TO HOST THIS LUNCH

President's thoughts:

This will be our meeting to prepare for General Assembly 2026. Its to be held this year in San Jose at the Hilton Hotel from September 29 – October 1, 2026. Because the location is so close, I hope many of you will consider going to this bi-annual meeting where RPEA leaders are chosen and policies discussed. There are smaller group presentations that can cover any number of topics useful to retirees. I am hoping that chapter membership will authorize reimbursement for lunches and mileage of attendees. Additionally, I would like to encourage carpooling for those attending the daily sessions. All this will be part of our meeting agenda. We will be allowed at least one alternate position with expenses to be paid by our chapter. You will have the opportunity to meet other retirees with whom you share common concerns in retirement. If this is of interest to you, please let me know.

Our meeting speaker:

The Alzheimer's Association will again provide our speaker. The topic this time is Supporting Brain Health. Information will include what we can do to help ourselves in preventing or at least delaying this terrible disease. The speaker is Cora Bishop, the outreach coordinator for the Association. At future meetings we will continue their series providing more information on some strategies once a diagnosis has been confirmed. For a future meeting we hope to have someone from The League of Women Voter to talk about the November election.

Blessings! *Nancy*
